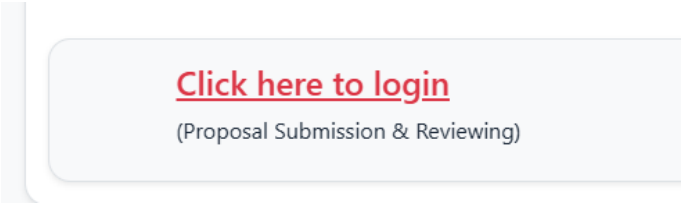
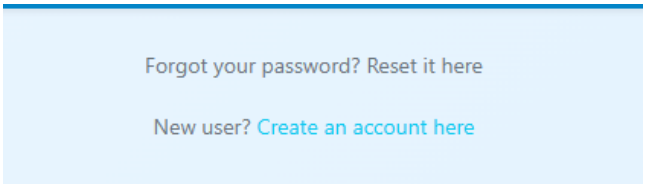
How to Log In – LIGO-India Extra-mural Research Portal

New users must create (register) an account first, then log in.

Step 1: Click **“Click here to login”** (Proposal Submission & Reviewing).

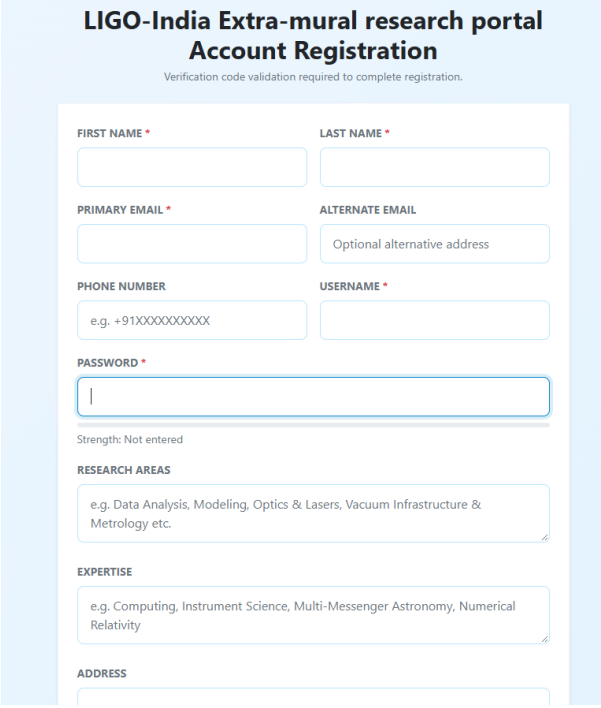


Step 2: On the login page, under **New user?** click **Create an account here**.



Step 3: The **Account Registration** page opens. Fill in the required fields (marked with a red *):

- First Name
- Last Name
- Primary Email
- Username
- Password (Check that the password consists exclusively of alphanumeric characters with no punctuation marks (such as ", _, ^, =, , , or –))



Step 4: Fill in the optional fields if needed: Alternate Email, Phone Number (e.g. +91XXXXXXXXXX), Research Areas, Expertise and Address.

Step 5: Scroll down, complete any remaining fields and submit the form.

Step 6: Complete the **verification code** validation shown on the page to finish registration.

Step 7: Go back to the login page, enter your **username** and **password**, and log in.

Step 8: Forgot your password? Click **Reset it here** on the login page.
